

INSTITUTIONAL DISTINCTIVENESS

Sardar Patel College has been established by exhibition society with a motto to empower the socially, economically and educationally marginalized sections of the society in Telangana region. With this motto the college has a distinctive vision to provide a holistic education to the youth so that they empower themselves to become good citizens of the country. The college management and staff believed that the essence of empowerment lies in creating a sustained form of emancipation by generating lasting opportunities to the students. As a part of encouragement, the college management is providing some scholarships to economically backward rural students every year through exhibition society. Placement centre is established to provide a platform for job opportunities to the students by college. Several companies visit the campus and recruit the students through selection process in their respective companies. Many part time jobs are also offered which will help the students to earn money to pay the fees for their education. Some departments encourage the students by providing medals or prize money for the toppers which will inculcate a spirit of competition and encouragement among students. Every year a gold medal is awarded to the topper in the Physics subject by a retired faculty, Dr. Sita from the English department in the memory of her late mother Sumathi. Sharmila Rani from English department and Ms.Rebecca from zoology pays fees and provides books to some poor background students every year. A gold medal is awarded to the students in the name of Late. Chandrashekar Reddy from the chemistry department.. The physical director of the college Dr. Harinarayan Rao an altruistic helps many poor students in providing free coaching to them to excel in sports. He also encourages them to

participate in various events by providing monetary benefits to them. Indrani Krishnaveni, an English faculty gives free coaching for IELTS and TOEFL to the poor students of the college who aspire to fly abroad for their further studies. Apart from this the staff indulges in organizing many programs under curricular and co-curricular activities very often along with the academics. In fact every activity is significant for the development of cognitive, emotional, physical and social level of the student. With this aim we conduct many seminars, workshops and science fairs which will reinforce or mirror the main academic learning and gain a real life experience. So, many extra curricular activities are conducted every Saturday to enrich the students with new experience. Different clubs and forums are established to provide the opportunity to the students to involve in many programs which acts as a catalyst for promotion of national Integration, cultural values, coexistence and general health and overall a sense of well-being among the students. NCC and NSS are feather caps to our institution which will impact the personality development of students through various societal developmental programs such as importance of education and women empowerment and health and hygiene in the rural areas. Many programs and camps are planned and organized by NCC and NSS officers throughout the year.
